Final results:

- We are all humans → for that we need conscience!
- Respect for one another!
- Free education for all is mandatory for a sustainable development.
- Youth should not have to choose between education and self-sustenance
- EDUCATION IS A HUMAN RIGHT!
- Governments should take money from military initiatives and allot it to educational programs
- Reduce the worktime in order to fight unemployment
- Make education free
 - Will provide highly skilled labour
 - Raise literacy rates
- Overcome the fear of being equal!
- Such a youth conference EVERY YEAR 😊
